

CHALLENGING THE PERCEPTION OF WHAT  
A BICYCLE CAN DO

yuba

The All-Terrain Yuba Mundo is an affordable, sustainable, practical and fun way to meet your transportation needs.

# MUNDO CARGO BICYCLE

Whether you're trying to meet a tight budget, improve your fitness, or reduce your use of fossil fuels, **Cargo Bicycling** is the way to go. Take a positive step with the pick-up truck of bikes. Load up the **Mundo** for a superior solution towards improving life in your community as well as the world around us.

## Go-Getter

Waterproof cargo bag designed for the Mundo. Clips easily onto carrier.

- capacity: 85 liters
- shoulder strap included

## Stand Alone

This solid center stand stabilizes your Mundo while you load it up.

- great for loading kids and cargo.
- folds up underneath side platforms

## Peanut Shell

A safe way to transport children on the Mundo. Option to attach two child seats to carrier.

- for children 9-22 kg; 20-48 lbs
- grey, red

## Bread Platform

Attaches to the head tube, another way to increase cargo capacity.

- holds up to 25 kg; 55 lbs.

## Down Low Glow

Provides unmatched Side Visibility and the "Cool Safety" experience customers have raved about.

- rechargeable
- no tools required to install
- six superbright colors

## Utility Straps

Cinch loads to the Mundo's cargo racks with these simple steel-buckled straps. Pinch free!

- 3 m; 9 ft length
- brown

## Haul It All

Multipurpose carrying system for big and small loads. Easily hauls soft loads like clothing, sports gear, coolers, tools.

- strong steel buckles
- compatible with baby seat

## Padded Seat

A way to keep your passenger's bottom happy. Soft cushioning covers the rear carrier.

- attaches easily with Velcro

Utility.  
Exercise.  
Community.  
What will  
you carry?

Let our bicycle experts help you determine which model and accessories suits your local terrain and cargo-carrying needs.

**Low Standover Height, One Size Fits All Frame**  
The whole family can ride the same bike: to school, run errands, visit friends, or enjoy a sunset cruise.

**Multipurpose Loading Platform**  
Great for boxes, child seats, tools, groceries, music equipment, suitcases, passengers, bread baskets. Right angles make it easy to customize.

**Ready for Customization**  
Numerous braze-ons for attaching boxes, containers, boards, or custom carrying system.

**Side Platforms (1 on each side)**  
To carry what other bikes cannot: large boxes, hard cases, kayaks, surfboards, lumber. Doubles as a passenger foot rest.

**Cargo Strength Parts**  
48-spoke rear wheel, sealed bearing hubs, 14mm solid axle, 21 Speed drivetrain, reinforced dropouts, steel tubing. Designed and tested for 250 kgs. SOLID!

**Front and Rear Disc Brake Tabs**

**AFFORDABLE MOBILITY**
